TO Mr. David Tanner, Executive Director
Board of Municipal and Zoning Appeals
417 East Fayette Street, 14th Floor

DATE: May 5, 2010

REQUEST

The Department of Planning has received Kenneth McIntyre's Board of Municipal and Zoning Appeals (BMZA) application to use the rear portion of the premises' rear yard for parking or storage of a boat and boat trailer. We understand that this appeal is scheduled for hearing on May 11, 2010.

SITE

4510 Kathland Avenue is located on the north side of the street, approximately 70' east of the intersection with Hillsdale Road. This property measures approximately 50' by 185' and is currently improved with a two-story-plus attic single-family detached house measuring approximately 28' by 47'. This site is zoned R-1.

ANALYSIS

Boats, trailers, etc.: parking or storage:

(a) Required findings and conditions. For parking or storage of boats, boat trailers, travel trailers, recreational vehicles, or similar camping equipment, the Board must find, and require as conditions of approval, that:

- (1) at no time will this equipment be used for living or housekeeping purposes;
- (2) the equipment will not have fixed connections to electricity, water, gas, or sanitary sewer facilities;
- (3) except only as specified in subsection (b) of this section, if the equipment is parked or stored outside of a garage, it will be parked or stored to the rear of the front building line of the lot and located at least 3 feet from the side or rear lot lines;
- (4) the equipment will be kept in good repair and carry a current year's license and registration; and
- (5) the parking or storage is not of an unoccupied mobile home, being a movable or portable dwelling, constructed to be towed on its own chassis and connected to utilities and designed without a permanent foundation for year-round living, which is specifically prohibited.

Exception for loading and unloading. Notwithstanding subsection (a)(3) of this section, the equipment may be parked anywhere on the premises, for a period of not more than 48 hours, for loading or unloading purposes (§14-306).

RECOMMENDATION

The Department of Planning has no objection to the appeal.
