AGENCY OVERVIEW

VISION

The future state we strive for:

A Baltimore where current and future residents live in safe and decent housing in thriving, inclusive and equitable neighborhoods.

MISSION

The actions we will take to achive the vision:

DHCD leads City efforts to promote thriving neighborhoods through community revitalization investments; supporting homeowmers; funding critical programs and neighborhood stakeholders; creating and preserving affordable housing; and ensuring safe conditions through code enforcement.
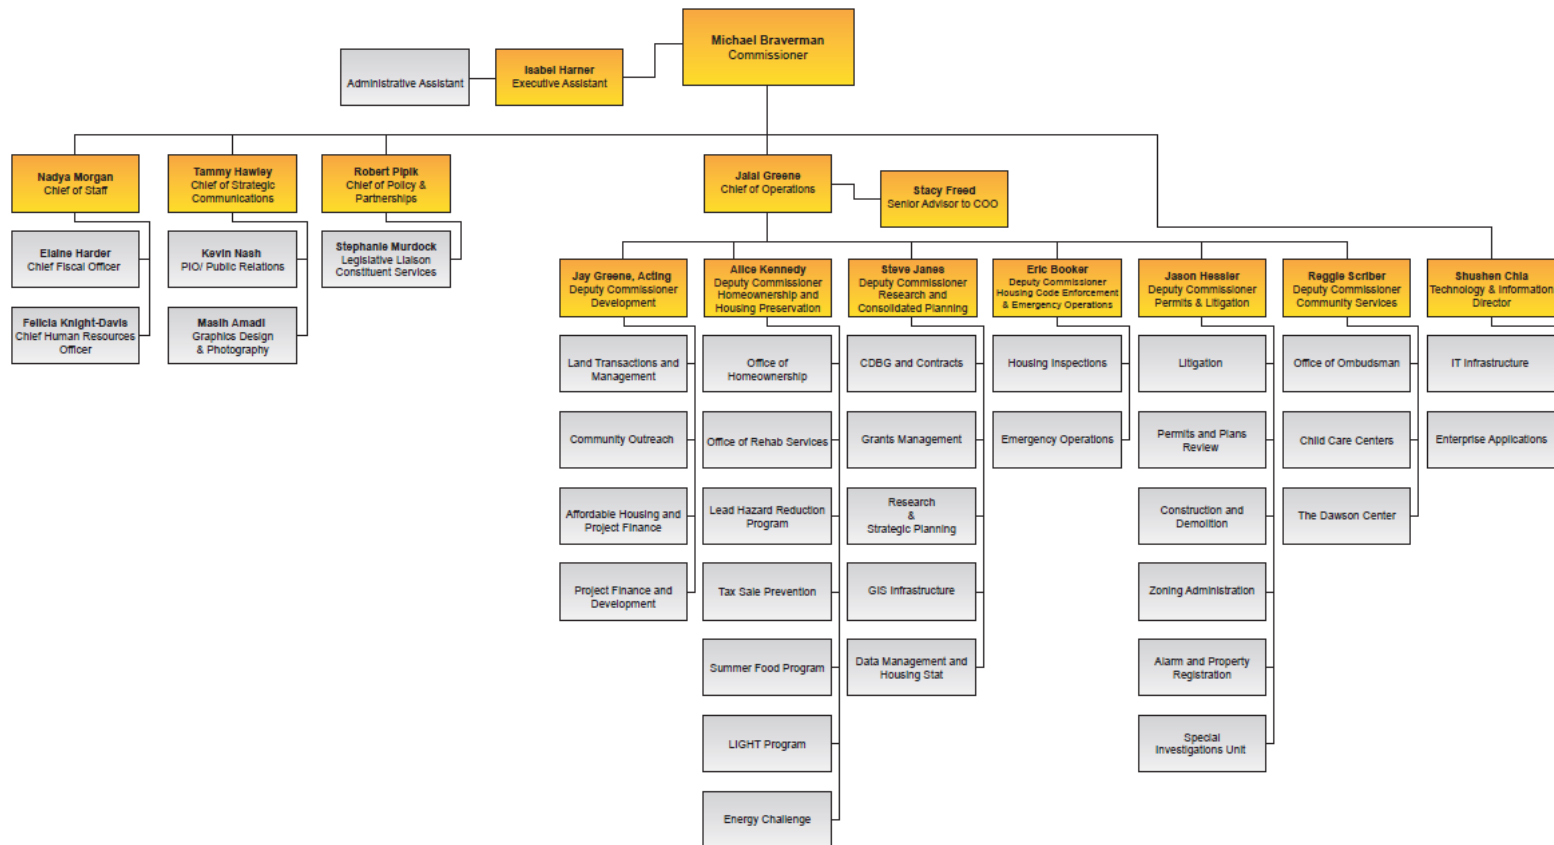

VALUES

How we intend to carry out our Mission:

Equity and Inclusion
Customer Service
Innovation
Integrity and Transparency
Partnership
Sustainability

- *Development Division* assembles parcels for blight elimination and redevelopment through acquisitions, and relocation, and finances and **supports affordable housing development**.

- *Homeownership and Housing Preservation* supports existing homeowners and new homeownership opportunities, preserving and creating affordable housing, preventing displacement, **building equity for Baltimoreans, preventing blight, and stabilizing communities**.

- *Research & Consolidated Planning* coordinates the receipt and retention of HUD formula grant resources and manages the Community Development Block Grant program, which **supports a wide range of housing and social services to over 50,000 low- and moderate-income Baltimoreans annually**.

- *Permits & Litigation* issues over **30,000 construction permits annually, conducts over 70,000 trade inspections**, oversees property registration, coordinates property demolition and stabilization, and leads litigation such as Baltimore's **national best practice "receivership" program**.

- *Housing Code Enforcement & Emergency Operations* conducts over **200,000 inspections each year** and monitors every vacant building and parcel in the city.

- *Community Services* operates community facilities including the **Dawson Center**, and assists families displaced by fire, or crisis.

Brick by Brick, Baltimore's Blighted Houses Get a New Life

Discarded materials from row houses are reused elsewhere in construction projects

"

"They've done amazing work in Baltimore. They're definitely a national model, and to my knowledge one of the most successful public deconstruction programs," said Martin Brown of the Delta Institute, a Chicago nonprofit that advises cities on similar efforts.
