The Honorable Robert W. Curran
Baltimore City Council, Third District
100 N. Holliday Street
Room 553
Baltimore, Maryland 21202

Dear Councilman Curran:

Thank you for expressing your concerns regarding the intersection of Harford Road, Old Harford Road, and Glenmore Avenue.

The Department of Transportation is investigating the intersection improvement project at Harford Road, Old Harford Road, and Glenmore Avenue and has committed \$500,000 for design and construction for traffic safety improvements in FY14 based on the preliminary investigation. It is the Department's understanding that Royal Farms has agreed to cede a portion of their property required for this improvement to the City at no cost.

If you have any questions, please contact Mr. Frank Murphy, Acting Director, Department of Transportation, at 410 396-6802.

Sincerely,

Stephanie Rawlings-Blake
