# WILLS WHARF

Positioned at the gateway to Baltimore's Inner Harbor, Wills Wharf will be a mixed-use building, offering more than 330,000 SF of premiere office and hotel space, all while providing stunning waterfront views.

We thank you for your patience while we continue to create Baltimore's next great waterfront neighborhood!

**Promenade Detour**  
Head up Thames Street, then turn left on Point Street to the Central Plaza. Take the stairs down to the parking lot (P2305) and walk to the Sandlot entrance on the southwest corner of the lot.

**ADA/Stroller Access**  
Head up Thames Street and enter the parking lot off Point Street (P2306). Turn left and follow the path under the Central Plaza garage, turning right to arrive at the open air parking lot (P2305). Walk to the Sandlot entrance on the southwest corner of the lot.
