

Medfield Heights Elementary School INSPIRE Kick-Off Meeting Notes

PTO Meeting—Medfield Heights Elementary School Library – Thursday, June 13, 2019

- Intersection at 41st and Falls Road-Pedestrian crossing timing needs to be evaluated—there needs to be longer lead times for pedestrian crossings and not have cars making a permitted left into the crosswalk
- Traffic Calming needed on 41st Street between Falls Road and Druid Park Drive
- Crosswalks on 41st are not protected specifically at Edgehill and 41st- also need to evaluate a safer crossing and traffic calming at the intersection of Buena Vista and 41st
- Increase in development in the area is causing an increase in traffic especially along 41st Street and Buena Vista
- Issues with MTA bus stop safety along 41st Street and Falls Road
- Trees are overgrown and taking over sidewalk on the southside of Cold Spring Lane between Grandview and the 83-overpass making it unsafe for pedestrians to walk to the light rail stop (Determine ownership of property)
- Clydesdale is 2 way and there is a significant volume of cut-through traffic
- With the increase in development, the flow of traffic in the neighborhood needs to be evaluated- especially how you travel around school, along Roland Heights and Buchanan
- Sight line issues due to cars parked too close to the corners
- Medfield and Edgehill-needs stop sign
- Overgrown shrubs by Rec center-needs a clean up
- Needs all-way stop at 42nd and Edgehill
- Roland Heights and Falls Road is a busy intersection-need to consider pedestrian safety improvements
- Review development site plan for new housing behind school
