Park Heights Renaissance – FY21 Spending Plan

Baltimore City - FY21 Spending Plan
  o Final Spending Plan published on May 4, 2020
  o Changes and Final Recommendations

COVID-19 and Food Resources

Census

Q&A
From the Mayor’s Letter in the FY21 Spending Plan:

• The city is facing a major pandemic and economic crisis that is impacting our City and our budget in ways unimagined. This crisis has forced our Finance Department to drastically revise our revenue projections for this year (FY20) as well as for the FY21 Spending Plan. The Proposed Spending Plan was based on an estimate from the State of Maryland of $8.5m. That estimate has been revised downward to $424k.

Major changes as a result of Covid-19 and the Racing and Community Development Act of 2020

• This is an incredibly difficult time for Baltimore City. We are responding to an unprecedented crisis that has halted economic activity, is jeopardizing the health of our residents, and creating a minimum of a $100-million-dollar deficit in the City budget. The long term effects on our economy are unknown, but I will continue to support recommendations that build on the strengths of this great community, its assets and people.

Revenue Estimates (Revised)

- The Proposed FY21 Spending Plan was based on an estimate of $8.5 million. Subsequent to the release of the proposed spending plan on Jan. 6, 2020, the international pandemic COVID-19 and the ensuing economic crisis have altered the slots revenue estimates. The Final Spending Plan also reflects the changes to Baltimore City’s Pimlico Local Impact Aid allocation as a result of State legislation.

- Due to the impact of the COVID-19 epidemic, the budget estimates for FY20 and FY21 have been drastically modified. For FY 2020, less revenue is expected to be received than was previously estimated due to the closure of the casinos. As a result, the FY 2021 spending plan is reduced by $2,722,000.

- In FY21, a drastic reduction in slots funding is projected and less revenue is expected to be received than was previously estimated. As a result, the FY 2021 spending plan will be reduced by $3,760,000.

- The Racing and Community Development Act of 2020 was passed for the redevelopment of the Pimlico and Laurel Racetracks. The legislation allocates $2.4m or 24% (whichever is greater) of the Pimlico Local Impact Aid directly to Park Heights Renaissance (PHR). Funding for PHR is therefore not included in Baltimore City’ spending plan.
Racing and Community Development Act of 2020

- The bill authorizes the MD Stadium Authority (MSA) to issue up to $375 million in bonds to be used for the redevelopment of the Pimlico and Laurel Park racing facility sites. The anticipated project costs for Pimlico total $180 million and $155 million for Laurel Park.

- Starting in FY21, the legislation allocates $2.4m or 24% (whichever is greater) of the Pimlico Local Impact Aid directly to Park Heights Renaissance.

- Starting in FY22, the legislation allocates $3.5M per year of Pimlico Local Impact Aid to pay back the bonds (debt service) for the rebuilding of the racetrack.

Park Heights Renaissance - FY21 Spending Plan
Welcome Yolanda Jiggetts, Executive Director PHR
Park Heights Renaissance

The Racing and Community Development Act of 2020 allocates $2.4m or 24%, whichever is greater, of Pimlico Local Impact Aid directly to PHR.

PHR is the on-the-ground organization committed to shaping a better future for the residents of Park Heights.

PHR is committed, through providing technical assistance, to empowering residents, businesses, religious institutions, schools, agencies, and other stakeholders in the Park Heights Master Plan area.

***Amounts in thousands***
In FY21, PHR plans to use the new allocation of $2.4 million to implement the community priorities identified by the Pimlico Community Development Authority. Recommended amounts in the FY21 Spending Plan:

- **Technical Assistance and Community Organizing ($200,000).** PHR will serve as a positive and effective bridge and communication link between and among community residents, elected officials, other stakeholders, investors, and the City; and will conduct community organizing activities to develop functional representation within all areas of Park Heights.

- **PHR Operating Expenses ($500,000).** This general operating funding will support the operations of PHR and cover key personnel and administrative expenses such as website maintenance, audit, rent, supplies, and consultant services.

- **Clean and Green Team ($200,000).** Serving the residents of Park Heights through removing litter and trash from the streets, alleyways, vacant lots, and open green spaces in Park Heights, along with mowing overgrown, vacant lots.
Incentives and Homeowner Repairs ($700,000). To strengthen the housing market around Edgecombe Circle Elementary as its student population grows, PHR will lead the effort to improve vacant houses and provide grants to residents to help stabilize the surrounding neighborhoods, keep homeowners in a healthy home, and promote new investment around the school.

INSPIRE Development Incentives ($275,000). One of the recommendations of the INSPIRE plans is to help stabilize neighborhoods and promote new investment around the newly modernized schools (Pimlico and Arlington). This initiative will enable PHR to redevelop vacant homes around two 21st Century Schools in Park Heights – Pimlico and Arlington. Funds will be used for acquisition, rehab, demolition and/or reconstruction of blighted and distressed homes; and a responsible homeowner campaign to engage residents and market homeownership opportunities.
• **Façade Grants and Small Business Incubator Program ($135,000).** PHR will assist local businesses and work with BDC on applications for façade and other exterior improvements to enhance curb appeal. BDC has an existing façade program that requires a match and funding would be available to provide a match to that program. PHR will also bring additional resources and technical assistance to Park Heights businesses through a partnership with Baltimore Business Lending, a subsidiary of Baltimore Community Lending.

• **Neighborhood Initiative Competitive Grants ($290,000).** PHR will serve as the fiscal administrator of the FY21 Neighborhood Initiative Competitive Grants.
Funds must be used primarily for capital purposes benefitting economic and community development.

Baltimore City Department of Planning
FY21 Spending Plan: Highlights

Park Heights Master Plan Area

• CC Jackson
  FY21: $1.4M
  *FY19-20: $1.45M*
  Total needed: $3.5M

• J.D. Gross Recreation Center: $150,000; plus matching funds from the state (Thank you state legislators!)
FY21 Spending Plan: Highlights

Park Heights Master Plan Area

- Human Services (Youth Grants): $206,000
- Langston Hughes: $100,000
- Public Art (Edgecombe Circle Elementary): $50,000
- Public Safety (Kujichagulia Center): $50,000
- Public Safety (Citiwatch Cameras – Rogers and Reisterstown): $20,000
Park Circle Redevelopment

While funding was reduced for the Park Circle corridor redevelopment; $650,000 is still available for HCD and PHR to continue the initiative.
1 Mile Radius: From the Mayor’s letter in the FY21 Spending Plan

• By formula as set out in the State law governing slots funding, the funding for the One Mile Radius became extremely limited under the revised revenue estimates. Therefore, this area was budgeted collectively rather than by sub-area.

*Re-allocation:* Due to the significant shortfall of funding in the 1 mile radius, unspent NWCPF funds are being re-allocated from two FY13/14 projects (Neighborhood Sign and Public Safety) and one FY17 (Public Safety) project totaling $135,000. These funds are being re-allocated to support community organizing and neighborhood initiative competitive grants.
FY21 Spending Plan: Highlights

1 Mile Radius

• CASA & CHAI community organizers: $85,000

• New! Community Organizer (GO NW): $50,000
• Street Cleaning (Chimes): $38,000
• Neighborhood Initiative Grants: $31,000
• Public Safety (Citiwatch Cameras – Garrison and Penhurst): $30,000
Future Opportunities: Library and Ambassador Theatre

Park Heights Library

- From the Mayor’s letter: FY21 funding for the proposed library had to be paused. However, I am hopeful that we can find a path forward to build this community priority. While we were not able to fund the library in FY21, it is my plan to revisit funding options in the future as the availability of funding sources becomes clearer.
- $2.5M allocated to date in slots funds (FY19-20)

Ambassador Theatre

- This is a priority for future Spending Plans and an opportunity for Artspace, Healthy Neighborhoods, and stakeholders to leverage additional funding.
- $647,000 allocated to date in slots funds (FY19-20)
- $550,000 for stabilization by DHCD’s General Obligation Bonds (GO Bonds) to save the building from collapse; new roof and exterior repairs.
COVID-19

- Resources such as testing sites are available on the Baltimore City Health Department’s website: https://health.baltimorecity.gov/

- Call 211. 211 can direct you to a healthcare provider who can refer you to a testing tent.
COVID-19: Resources

Food Resources

• B’more City Health Department Food Resources: [https://coronavirus.baltimorecity.gov/food-distribution-sites](https://coronavirus.baltimorecity.gov/food-distribution-sites)

• City of Baltimore is Partnering with Amazon to deliver grocery boxes. Adults 60 and over call to enroll 410-396-2273 (CARE) [Maryland Access Point](https://www.marylandaccess.org/)

Local Partners

• PHR – 3939 Reisterstown
• CHAI – Food distribution at Fallstaff Elementary
• Langston Hughes – 5011 Arbutus
• Rec Centers (CC Jackson), Schools (e.g. Arlington)
• Check PHR’s newsletter, Facebook, and Health Department’s website for distribution dates and times
